

## Church Spotlight - Glendale Christian Church

One of our strongest and closest supporting church congregations is Glendale Christian Church. In 2010 they expanded their facility by building a beautiful new sanctuary which they just completely paid in full last month. Their attendance has also been growing as their average attendance increased by 26 members during 2015. Right now they are averaging just over 300 in attendance. This Easter's attendance reached 545.

Jeff Gaines is the Lead Minister and has been serving there since 2009. The church recently added a contemporary service along with a traditional one. This past year the Church hired a new Worship Minister as well.

Glendale Christian Church has a long history of service as they celebrated their 135th Anniversary just this past November. The long history of service has also been wrapped up in the camp as they are one of the original camp supporting Churches. The camp is glad Glendale Christian Church is part of the camp team and encourages them as they continue to grow.

Remember the old Sunday School song, "Zaccheus was a wee little man, a wee little man was he. He climbed up in a sycamore tree for the Lord he wanted to see"? Zaccheus climbed that tree because he wanted to see Jesus but the crowds and activity on the ground were blocking his view. I think of Church Camp as a tree that campers can climb to get away from TV, video games, phones, and distractions. Once they climb up they can see Jesus in their morning devotions, in the other camper who bravely volunteers to pray for lunch, in the prayer & encouragement of the zip line guide who helps them overcome a fear, in their small group leader who makes the Bible come to life and in many other ways we may never know. Since 1949 White Mills Christian Camp has been a tree whose reach and roots are growing and allowing more campers than ever climb up to see Jesus. Please keep our special "tree" in your prayers as well as the "climbers" who are planning, even now, to come and see Jesus.
