The Millstone

December 2020

In this issue:

- A Christmas Thought
- Our Thankful List
- End of Year Need
- 2021 Camp Schedule

A Christmas Thought

We were thrown a major “curve-ball” this year, and you could make the argument that there was more than one in 2020. When life throws something unexpected your way, how do you react?

In these situations I often think of Mary, the mother of Jesus. She was visited by an angel and told she would give birth to the Messiah. I think we can safely say that news was entirely unexpected!

To Mary’s credit, she simply told the angel, “I am the Lord’s servant; may your word to me be fulfilled.” With those words she embarked on a miraculous journey. But she didn’t go alone. God stayed with her throughout everything. He sent an angel in a dream to Joseph so Joseph would understand what was happening. He paved the way for them to escape Herod’s evil plan. He provided for them through the gifts from the wisemen.

As you move forward in your walk with the Lord, remember that He is paving the way for you who are in His will. He is walking with you. He will never leave you nor forsake you. He is providing for your every need. You need not be afraid.

Our Thankful List

Around Thanksgiving we made a list of the good things that have happened this year, giving thanks to God for all of it. Here is a copy of that list because we are still praising God for His continued work in our lives and at our camp.

- * There were 2 baptisms on camp property in 2020!
- * We provided a place for a local church to have drive-in services.
- * Our Helping Hand fundraiser EXCEEDED the \$30,000 goal!
- * No full-time staff were laid off.
- * There was no need for us to take out a PPP loan or any other loan.
- * Our new kitchen & dining room is under construction.
- * The grounds and facilities look great.

End of Year Need

Even though the dorms were not used much this year, we discovered a failure in the HVAC units in Alumni. These units were 23 years old and needed to be replaced to maintain heat through the winter and to be ready to go next season. The cost to replace these 2 units is \$9,000.00.

We are asking you to consider making a year-end donation to help us cover the cost of the new units.

There are two ways you can donate

1. By sending a check (write HVAC in the memo line) to P.O. Box 129, White Mills, KY 42788
2. You can make a donation online www.whitemillschristiancamp.com by choosing “General Fund” and writing HVAC in the “In Honor/ Memory Of” space.

Thank you in advance for your gift.

2021 Camp Schedule

Summer 2021 includes new camps, improved scheduling, and lots of fun! We have all our deans in place and they are even now planning their weeks of camp. Below is the schedule for 2021 so you can begin planning too. You will be able to register online beginning January 1.

JUNE
