Summer Camp Update

It is so exciting to once again start looking forward to summer! The camp calendar is set, the deans are in place, registration is open, and our plan is to move forward with camp as normal. That is such a refreshing and encouraging thought! We are already receiving camp registration forms so we know that our campers are ready & excited to come back to camp this summer as well!

We usually mail brochures out around the first of February, but this year they will be mailed at the beginning of March. You don't have to wait until then to register. You can register online or you can print a paper registration form and mail it in. All you need to do is go to www.whitemillschristiancamp.com.

Sometimes plans can change as we know from this past year. That is why we are asking you to keep the camp in your prayers, specifically that we are able to move forward with camp in full operation. That is how we are proceeding on a daily basis, in faith that this summer will be the best ever!

At the bottom of this newsletter is the calendar for this summer. There are so many ways to use this calendar: You can choose a week of camp for your child or choose a specific week and begin praying now for the campers, deans & faculty who will attend that week. You could also choose a week where you would like to come and volunteer as faculty. There are so many ways to contribute to summer camp at White Mills Christian Camp!

You receive this newsletter because you know what a special place White Mills Christian Camp is. We are grateful for all the prayers and support we receive all through the year. Thank you!

New Building Update

It is so exciting to see the progress in the new kitchen and dining room! You can see where the walls are located, how wide and spacious the porch is going to be, and how much room we have for serving lines and seating. It's easy to imagine the beauty of the fireplace and stage, and of course the view out the huge windows is simply amazing!

Delays often happen in large construction projects and this project is no exception. It is our hope that everything will be in place to use the new facility this summer, but even if it's not completed in time, you will be able to see it when you arrive at camp this summer. We think you will like what you see!

Seeking Full Time and Part Time Summer Staff

We are looking for energetic people who want not just a summer job, but a chance to serve in ministry!

Positions Include:

- ⇒ **Kitchen workers:** serve great food along with lots of smiles 3 times a day!
- ⇒ **Lifeguards:** Red Cross certified to keep watch and maintain the safety of swimmers. The camp will often reimburse training costs for those seeking certification.
- ⇒ **Zipline Guides:** Every day is a new adventure leading campers to test their bravery on the camp's Leap of Faith. Each guide is thoroughly trained at the camp to become a certified guide.
- ⇒ **Cleaning:** The cleanest camp around doesn't just happen by itself. There is no better place to work and there is always plenty to do.
- ⇒ **Grounds:** The camp has 40 acres to keep trimmed and weeded. The number one compliment the camp receives is how nice the grounds look!
- ⇒ **Security:** Safety is very important and we take it very seriously. This year we have an opening for the right person with the right credentials to guard the front gate at various times through the week.

All positions have the potential to be full or part time depending on your availability. Also, schedules can vary from day to day and week to week depending on each week's program. Workers must be at least 16 years old. Each person is paid at least the minimum wage in addition to the food and housing that is offered. All details will be coordinated through the Camp Manager. Summer Staff Applications can be found on the camp's website under "Summer Camp."

For more information please contact Ben Fulcher, the Camp Manager, and he will gladly share with you how great it can be to work and serve at camp! You can reach Ben by calling 270-872-9088 or emailing ben@whitemillschristiancamp.com.
