I have many fun memories of camp like swimming, canteen, games on the ballfield, friends and team challenges. One of those team challenges was memorizing scripture for points that would gain us special rewards. I was not the best at memorizing and it wasn't my favorite part of camp then but now, years (and years) later, I believe it was the most beneficial part of camp. As I go through life there are many times that those scriptures come into my mind to help while I teach Sunday School (I make them memorize scripture too) or to comfort me when times are tough. They come to me, like a "still small voice," to tell me I'm not alone, God is with me and He wants to speak His words to me.

Sure, camp is fun. It's exciting and you can eat dessert first if you want too. Camp is also another tool that can be used to build a spiritual foundation that will never weaken or decay. God's Word is "alive and active, sharper than any double-edged sword" (Heb. 4:12) and "a light unto my path" (Psalm 119:105). We encourage all the deans to include scripture memorization in their curriculum because we know the importance of hiding God's Word in our hearts.

This summer, give your child the opportunity to grow spiritually and receive the blessing of learning God's word. This summer, send your child to White Mills Christian Camp.

Blessings—Kelly Fulcher

Wade Scholarships

When a camper applies for a Wade Scholarship we ask them to write in their own words why they want to attend camp. Here are some responses from this year's applications:

"I had fun last year and was baptized and want to return."

"...see friends I made last year and learn about God."

"Last year was AMAZING. Your camp is the most amazing place I have ever been. Can I please come back?"

"I get to hang out with my friends in a Godly environment and I get pushed outside of my comfort zone!"

We NEVER want to turn a camper away for financial reasons! Last year we awarded just over \$7,500 in Wade Scholarship to campers who needed financial assistance to attend camp. Each year we deplete the Wade Scholarship Fund and have to build it up again. This year we already have more requests than money in the bank and we need help to send these young people to camp.

You can make a donation through the website or a check in the mail marked "Wade Scholarship" but there is a way to help all year long—if you shop at Kroger. Before you shop, simply go to www.kroger.com and click on the "community" tab. Fill out the requested information (this only has to be done once). Then when you shop, run your Kroger card and Kroger will donate 4% automatically to the camp! It's that easy and all funds from Kroger go to the Wade Scholarship Fund.
