

Camp Board of Directors

On the second Saturday of each month the camp's Board of Directors meet to discuss and carry out the business of the camp. Each board member represents a different Christian Church that regularly supports the camp in a variety of ways. At each meeting we have a devotion and prayer time and has over the years been an inspiring environment where harmony and good decision making for the camp has prevailed.

Recently, Leonard Link, who had served on the board for 30 years passed away. We will certainly miss Leonard and his devotion to the camp ministry. Others will continue his tradition of service and dedication that help keep the camp open and for them we are so very grateful.

Please keep the board members in your prayers and encourage them in this important service. Many drive over an hour each month just to make the meetings and while they consider it a privilege it is still a sacrifice.

Thank you to the board for your willingness to serve!

Camp Manager– Looking Ahead

Each day brings about exciting new possibilities and this is certainly the situation at camp. New promotion videos are available to view on the website showing the great adventures (lots of zip line rides) of camp along with a sneak peak at the future dining hall. I encourage each of you to take time to watch these and use them as tools to excite others about all the great adventures that are in store for our future campers.

You will also find on the website your picture if you have attended a camp session, see photos of all the buildings and activities the camp provides which are always being upgraded and improved. Each photo is a reminder of how camp continues to impact more and more people who in turn impact others in the future.

I believe next year we will be looking at another historical year in camp attendance and it is my prayer that each and every camper will see the love of Jesus during their visit. Imagine if every camper invited someone they knew to go with them to camp. The impact on those lives for Jesus could be staggering.

Things to look for next time you come to camp include upgrades to the hotel dining room, canteen pavilion expansion and more Bible verses. Everyone loved the scripture on the zip line tower this year and so I have decided to include more Bible everywhere on the camp. You can't go wrong with more Bible and so I encourage you to join me in "Looking Ahead!"
