

A Special Thank You to Louis Bauer

Louis Bauer, the camp facility manager, has decided to retire after serving in this capacity since 2001. The camp is truly going to miss all of the expertise, talent and professionalism he has brought to this place over the years. Without a doubt, the camp facility has been enhanced and improved on every level because of the work and dedication that Louis brought to this ministry every day and every week. White Mills Christian Camp has always had a special place in his heart since he attended as a camper and that love has always shown in his work. We can truly say there is a special place in the heart of the camp for Louis Bauer. We all say “Thank You” to Louis and his wife Bobbie for their work and dedication to the camp ministry. Congratulations on a job well done!

Great Things to Know About This Summer

There were 25 different camp sessions over a 10 week period with 1411 campers along with 427 different volunteers helping to make these programs happen. These efforts resulted in 62 baptisms! Praise the Lord! We also know of nearly 30 campers considering full time ministry. Wow!

Total number of slushies and candy bars eaten is still yet to be determined...

New Dining Room Update

For years now the camp has needed a larger dining room and kitchen so a plan was made to add a new dining room to the Retreat Center that would hold at least 300 people. With costs approaching 1 million dollars the goal for years has been to have at least 1/2 of that money before starting construction. The camp now has \$530,000 in this fund and so the first goal has been met thanks to many of the churches and individuals along with some very special gifts. The \$2 challenge campaign has been going strong in many of our churches and once again we say thank you!

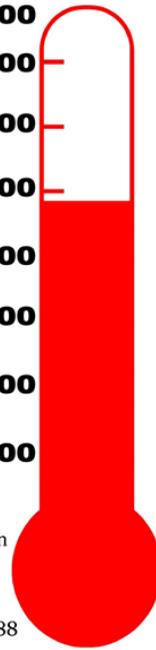

Now we need to finish what we have started! Plans have been submitted to the State and we hope to have approval by the first of 2020. Our plan at this point is to start construction in 2020 with everything being complete by the summer of 2021.

Please keep this project in your prayers and please continue to encourage giving to this project as we still have much to raise to pay for it completely. Soon, we hope to let you know prices of specific pieces that you, your church, and your small groups could help purchase. It is our prayer that God will multiply these gifts, just as he did with the 2 fish and 5 loaves, and because of His work many will be fed!

Church Spotlight—Okolona Christian Church

Okolona Christian Church is located near the intersection of I-65 and the Gene Snyder Freeway in the greater Louisville, KY area. For many years Okolona has been heavily involved in camp ministry by leading sessions of summer camp, supporting camp building projects, sending numerous campers through the years, and hosting yearly retreat groups on the property. Recently the church has been on a search and have found their next Lead Minister. Andrew “Fitz” Fitzgibbon was affirmed by the church’s members in early August and he can’t wait to get started ministering at Okolona. The church’s mission has always been to make disciples who will love, live, and proclaim the truth of the Gospel message in every facet of their lives. We are so thankful that we get to partner along side them in their mission here at camp. You can find out more about this ministry at www.okolonacc.org
